NAME: James Bryden.

Industry and Professional Development

2.1 Explain the working culture of the film industry

What is it like in the film industry? (Consider hours, travel, freelance, working on set and budget. What are the pressures? What are the positives and negatives?)	• It is often quite chaotic however if it's everyone does what they're supposed to do it will run smoothly. • Time = money and so you must act quick and get stuff done. • It's extremely fun being on set and in a environment. • Can be hard to manage lots of people or follow lots of instructions.
What qualities do you need to work in the film industry? (E.g. Showing initiative, taking responsibility, good time management, knowing your specialism, having good communication skills) **Give reasons for your answers.**	Good communication. Good listening. creativity. knowledge of your area. You need good teamwork between your sector (Sound) - and good teamwork between each of the sectors.
