3.1 Explain the importance of teamwork when working on a film production

Why is teamwork important when working on *a film production?*	Teamwork means good Comunication. This means that everything will be done quicker and more effectively. This means less money will be spent.
What can happen if there isn't good teamwork?	You will run over time. Shots will be crap and People can't know what they're doing. This can mess up a Scene in the edit.
